

Blue Sky

Genre

Blue Sky has ensembles designing new ASCE national competitions; the competitions will address emerging issues in civil engineering and find solutions that have hid away for so long. Bands will present their ideas in a written proposal, market their competition with a poster, and present to a panel of judges.

Artists

Per national guidelines, no restriction is placed on band size.

Instruments

Please review the [national rules](#) for *Blue Sky* requirements. Deliverables should conform to the national rules.

Tracks

The competition will be conducted and scored according to the [national rules](#). Competition organizers will load presentation files onto a computer in the competition room; as a contingency should technical problems arise, bands are encouraged to bring a backup on a USB drive.

Notes

Direct any RFIs to [conference organizers](#). This section will be updated to include RFI responses.
